AUDIO ENGINEERING SOCIETY

JUNE/JULY 1999

BAES season concludes with June picnic and July banquet

Come one, come all! The Boston section of the AES celebrates the end of its season with its traditional banquet at Northeastern University's Henderson House in Weston, MA, on **Tuesday, July 20**. The evening includes a reception, dinner, introduction of new officers and a guest speaker. You'll find complete details for reserving your place at the festivities on page 2.

Meanwhile, we also invite you to celebrate summer in a less formal way with a picnic and pool-party at the home of David Moulton and Carol Bousquet (39 Ames Rd., Groton, MA) on **Sunday, June 27**, from 1 to 5 p.m.

Please bring your bathing suit, a folding chair (if you have one) and a side-dish to share. A main course of BBQ fare and beverages will be provided. To facilitate the picnic planning, please RSVP by Thursday, June 24, to Bob Wey at (978) 692-1810.

Both events are open to all members and friends of the New England audio community.

Picnic Directions: From Exit 31 (Groton) off I-495, take Rt. 119 west for five miles. Watch for the red building of MRM Associates on the left. Take the next right onto Ames Rd. No. 39 is first house on left. Call (978) 448-9596 if lost.

The Banquet Menu

Hors d'oeuvres and open bar during reception.

Appetizer: Apple and melon soup.

Henderson House Salad: salad greens with mushrooms and tomatoes, drizzled with balsamic vinaigrette and topped with black olives.

Entree: your choice of

Chicken Oscar—sauteed breast of chicken topped with Hollandaise sauce, served on a bed of asparagus spears with tasty gulf shrimp.

Or

Stuffed fillets of Sole—Sole fillets rolled in a delicious mixture of crabmeat, artichokes and parmesan cheese, complemented by a chardonnay sauce.

Vegetable: rice pilaf.

(A vegetarian stir-fry entree is available upon request.)

Dessert: Vanilla sponge cake with lemon mousse, topped with wild blueberries and red currants.

Wine: Murphy Goode Fume Blanc

Please RSVP by Wednesday, July 14. See Page 2 for details.
